The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Please be prepared for the rain or snow during the winter months, as walking to our dinner restaurants may require up to 0.75 miles each way.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

Experience It! Radio City Music Hall

In 1929, John D. Rockefeller, Jr. set out with his partners to transform a section of Midtown Manhattan, formerly known as "the speakeasy belt," into their dream complex. Their first completed project in Rockefeller Center was Radio City Music Hall, created to provide top entertainment that was affordable to the public. For 80 years, the theater has hosted the holiday tradition of the Radio City Christmas Spectacular, starring the world-famous Rockettes. Referred to as the best holiday production in America, the Christmas Spectacular draws an audience of one million people every year. This show blends the flawless choreography of the prestigious Rockettes with an abundance of holiday pizzazz. Their precise moves, the upbeat holiday music, and the elaborate costumes and stage décor are simply captivating.
